## Vinification

Harvest is done by a manual selection of the ripest grapes over a period of 4 weeks, fermentation in stainless steel tanks, followed by a development on the lees for another six months, no malolactic fermentation, assemblage and further 6 months of bottle-aging before release.

## Description

Our Riesling presents a delicate bouquet of yellow fruit enriched with a pleasing touch of fresh minerality, fine aromas of apricot, peach and citrus, nice touch of hay grass and herbs, a crisp acidity and a lively finish.

## Recommended Pairings

Interesting all-rounder, delightful as an aperitif or on its own, lovely as an accompaniment to tasty fish dishes, white meat, vegetable dishes and asparagus, goes also well with rich dishes flavoured with a squeeze of lime, like beef curry.
